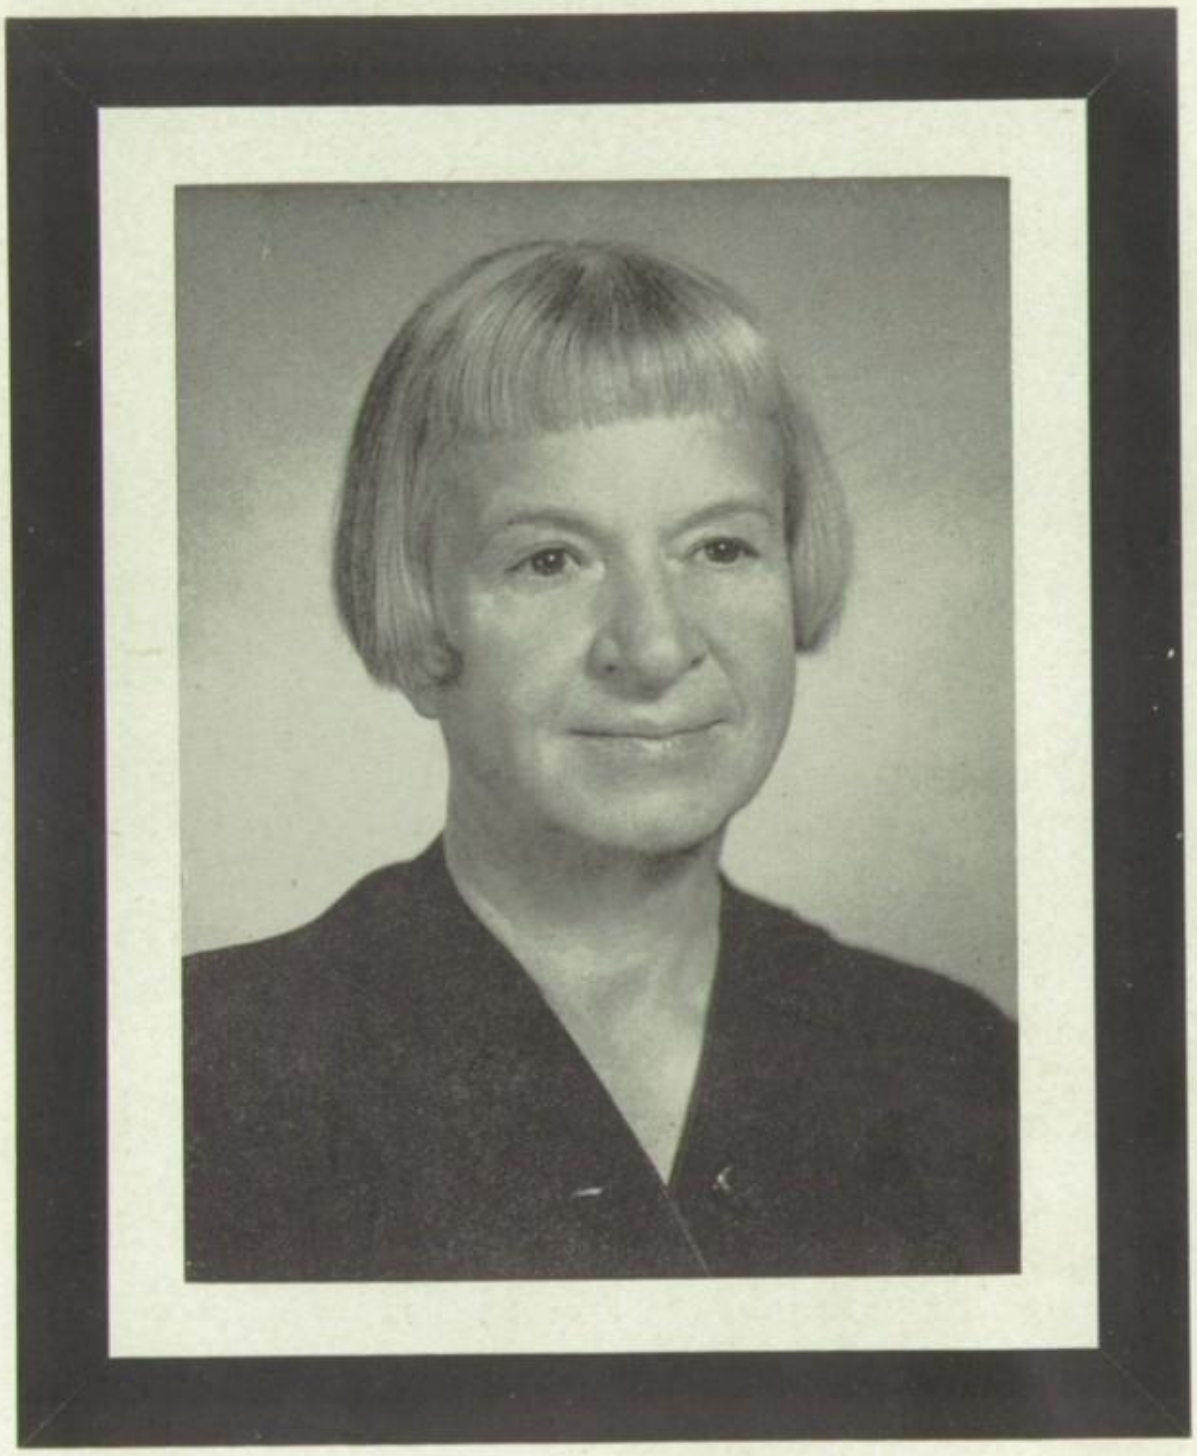
IN MEMORIAM



Miss Frances Smith

DEDICATION

In memory of Frances Smith, first dean of girls at Thomas Jefferson High School, we dedicate this 1952 edition of the Monticello. We miss the comfort of her presence; we feel the hurt of parting from a friend. Her death has left us sorrowful, yet strengthened by the memory of her excellence. Her many deeds of kindness gave us the inspiration to be helpful to others; her faithful service to her work opened to us the vision of a noble life. Her phenomenal mastery of detail gave us assurance when we asked for advice about schedules and studies; her sincerity and willingness to help those who were burdened with personal problems, brought both pupils and teachers to her office. Her interest in the activities of our school — athletics, extra-curricular and scholastic — endeared her to the entire student body. She never shirked a duty; she never spoke an unkind word of a friend. The scholar, the unfortunate, the crippled, the wayward, all said her judgment was just and good. She was a wise counselor, a loyal friend, and an understanding woman. In our hearts we hold her in loving memory.

OUR THEME

"United we stand — divided we fall" — These famous words spoken almost one hundred years ago by Abraham Lincoln express the ideals of Thomas Jefferson High School's Student Council today. Throughout the life of twenty-one Student Councils at Jefferson, this organization has expanded in size, gained in prestige, developed in scope, and is now recognized as one of the best in the nation. Each year brings with it the completion of some new project far greater than ever imagined by that first representative assembly of 1932. Jefferson High School **is** united; our Council binds us together with the golden cords of friendship, loyalty, service, and cooperation. It is, therefore, with great pride and appreciation that the 1952 MONTICELLO pays tribute to the Student Council on this, its twenty-first birthday.

Mr. Thomas B. Portwood

Superintendent
San Antonio Schools

Mr. Thomas B. Portwood, Superintendent of Public Schools, is the man most responsible for San Antonio's splendid school system. Jefferson students owe him a special debt of gratitude, for it was his vision that created this magnificent building, the colorful gardens, and tall, green trees which enhance the beauty of San Antonio and the life of each student. He strives always for the best; he has the foresight and determination necessary to be an efficient and capable Superintendent of Schools. The citizens of this city are quite fortunate to have a man such as Mr. Portwood at the head of the Public Schools.

Mr. Oscar E. Miller

Assistant Superintendent
San Antonio High Schools

A name that many students recognize immediately is that of Mr. Oscar E. Miller — the friendly, always smiling man who was at one time the principal of Horace Mann Junior School. Although he has many responsibilities and little free time, he is always gracious about coming to Jefferson for special occasions. Much appreciation is due this capable Assistant Superintendent of Schools in charge of secondary education, for he executes each duty with a special sense of accuracy and efficiency. Mr. Oscar Miller is an invaluable executive and a shining example for each Jefferson student to follow.

T. Guy Rogers

Through twenty years of life at Jefferson High School, one person has always ranked first in making our school what it is today — a place where good fellowship and student cooperation prevail. His ready smile, friendly encouragement, good humor, and ability to understand every student's problem have made him a person never to be forgotten. He is the embodiment of the Spirit of Jefferson; the ever present force behind each phase of school life. The students of Thomas Jefferson are very proud to have Mr. T. Guy Rogers, friend and trusted leader, as their principal.

Mr. Raymond W. Arnold

Vice Principal and Dean of Boys

Jefferson's Vice-Principal is admired by everyone with whom he comes in contact, but it is the boy at Jefferson who realizes early in his high school career that this man is an authority on boys and their many problems. One interview with this wise counselor proves that he is impartial in hearing facts and fair in making decisions. His is the difficult job of finding a practical solution to the problem which beset boys. Each Jefferson student is proud of the fact that our Vice-Principal and Dean of Boys is Mr. Raymond W. Arnold.

Worth best wishes
Raymond Arnold

Mrs. Payton Kennedy

Dean of Girls

Although she has acted as Jefferson's Dean of Girls for only a short time, Mrs. Payton Kennedy is winning a secure place in the heart of each Jefferson student. She has already proved her ability to give wise and just counsel, to be fair, and to appreciate the difficulties confronting a student. Each girl enters her office with the knowledge that problems will soon be erased and serenity restored. Her fine beginning in this difficult work assures us that the future will bring added progress, and that Mrs. Kennedy will continue to deserve the admiration of each Jefferson student.

Only ten days after the opening of Thomas Jefferson High School in February of 1932, the Student Council was formally organized by Miss Mamie Brawner. The old officers from Main Avenue High School were retained and served with great pride in their new school, knowing the standards set this first year would be the ones carried on for years to come.

Since that time, under the capable direction of Miss Brawner, Miss Marie Helland and Miss Florence Langford, the Student Council has inaugurated ideas and projects which are the traditions of our school today--traditions founded upon the ideals of leadership, scholarship, service, sportmanship, and cooperation.

The Student Council is versatile. Its activities extend from sponsoring dances to sending delegates to conventions; from publishing the Student Directory and Handbook to chartering all school clubs; from checking out state text-books to selling pom-poms and staging pep-rallies. It is this body that adopted our famous colors, our school creed and seal, our school song.

The Student Council is thorough. Each job is done with enthusiasm and hard work--jobs that range from conducting old-paper drives to presenting orientation speeches for new students; from maintaining the Lost and Found to beautifying the Student Council Patio; from organizing scholastic societies to sponsoring assemblies.

The Student Council is character building. It encourages proper school conduct and regulation of hall traffic; it sponsors the inspiring Morning Prayer; it lends its support to all civic drives of San Antonio; it urges us daily to become better citizens of the future by sponsoring many worthwhile activities in which the student body participates and thus becomes more closely united.

The Student Council of today not only carries on tradition but it is constantly on the alert to suggest those improvements which will make our stay at Jefferson most satisfactory. And as time goes on our Student Council is sure to become of even greater value to our school and community.

"I believe in sincere effort, in faithful fellowship,
kind and generous friendship, and hearty cooperation.
I believe in upholding the ideals and standards
of Thomas Jefferson High School and
in loyalty to this school and its activities."

Upper Left: — An inspiring beginning for a busy day — the Morning Prayer. **Upper Right:** — Jerry Ryan presents a check for $324.70 to Mrs. Japhet for the Crippled Children's Fund in memory of our beloved Dean of Girls, Miss Frances Smith. **Lower Left:** — Checking out books is decidedly not easy, but Margie Ransdell and Maradee White seem to enjoy it. **Lower Right:** — Intelligentsia of the Freshman class receive their F. Resume of Senior History

September, 1951 — we of the Senior Class began our triumphant year by electing new and capable officers. Working under the class colors of blue and silver and with the rose as our flower, we put our motto, "The greater the co-operation, the greater the accomplishment," into full force. Following the excitement of receiving the Senior Rings came the Senior Western Dance — a festive, gala occasion. The Senior Frolic took the students "On a Caribbean Cruise." The thrilling experience of measuring caps and gowns and ordering of invitations followed. A great success was the Senior Play — "The Barrett's of Wimpole Street." Then a picture show and Barbecue entertained the Seniors as Graduation neared. Class Day — with a Class Will and Prophecy — the beautiful Junior-Senior Prom — always to be remembered — finally the big night of Graduation. Although it is good-bye to Jefferson High School, we will always remember our most wonderful sponsor — Mrs. Lorena H. Davis — and the three happy and successful years through which she led the Class of 1952.

We of the Monticello have come to consider ourselves experts at editing an Annuall We use "trade-talk" consistently; in every conversation there is sure to be some mention of "panels" and "cuts," "copy" and "captions," and, of course, the all-important "dummy." The "office" to us means the little room three flights up, No. 310. In this room there is the smell of rubber cement, the noise of clacking typewriters, and above all, the fun of working hard for a common cause — our 1952 Monticello.

New Art Club members are initiated in an impressive formal ceremony.

Art Club members put down their brushes and sketch pads long enough to enjoy a weiner roast at Elaine Aniol's home.

The purpose of the Art Club is to bring together students who have a sincere interest in Art in an organization where their interest is shared and may be developed by field trips to local art galleries and sketching local scenes.

For years the Jefferson Student Council has participated in charity drives of many kinds — each year brings renewed efforts and even greater results. The March Of Dimes drive reached a new high this year — a total of $696.68. Here, Peter Kuntz, Nancy Green, Teddy Hager, Maradee White, Jim Lehrer, Diane Ferais, and Carole Willitt make plans for this encouraging and inspiring effort of the Student Council.

Jefferson Leads Through the Efforts of its Student Council

Participating in activities with other Student Councils brings a greater insight and enthusiasm to our own Council. Last summer, delegates from Jefferson traveled to Denton, Texas, for the first Student Council Workshop in Texas. Here they exchanged ideas and plans with members of other Student Councils, thus enriching our own school. Douglas Johnson, Miss Florence Langford, Dorothy Heinrich, and Mary Jo Eisemann display the informative posters they took with them.

Our Mustangs' Story

September 13 — Off to a good start, the Mustangs trimmed the Tivy Antlers of Kerrville 25-7. Tommy Albright marked up the first Jeff tally. Connie Orr, Earl Tritt, and Pat Tolar each scored once, backed by the rugged Jeff line led by Antonio Alejandro and Marvin DeBerry.

September 21 — The Lamar Redskins' beefy footballers powered their way to a 14-7 win over the Mustangs. Earl Tritt scored the only Jeff touchdown on a tricky reverse play that fooled the Lamar team. Pat Tolar converted. Pat Tolar, Hubert Dixon, and George Thacker played stellar games for the outweighed Jefferson team.

September 28 — The Mustangs opened their district play with a fine 42-6 win over the Laredo Tigers. Connie Orr scored twice, as did Pat Tolar. Milton Johnson and Earl Tritt chipped in one touchdown apiece. The Jefferson line, sparked by Bill Prewitt, Elliot Bilhartz, Tony Alejandro, and Douglas Johnson, stopped the Tigers on all but one occasion.

October 5 — After piling up a 21-0 lead in the first half, the Jefferson Mustangs wilted like a two-bit corsage, allowing the Harlingen Cardinals to stack up a 27-21 victory. Earl Tritt crossed pay dirt twice, Connie Orr once. Pat Tolar converted perfectly for the three extra points. Bill Prewitt and Pat Tolar did most of Jeff's tackling.

October 12 — Jefferson's Mustangs were terribly out-manned by the fancy Ray High Texans of Corpus Christi and, consequently, were blasted 42-13. Pat Tolar and Earl Tritt did all the scoring for Jeff. Douglas Johnson was also outstanding in his work as guard.

October 18 — The Jefferson Mustangs surprised the Reagan Bulldogs with a dazzling double wing formation and pass-smashed to a 33-27 victory. Pat Tolar passed for three touchdowns and scored one himself. He also kicked three extra points, and found time to call plays. John Johns, Connie Orr, and Earl Tritt scored for Jeff on passes.

October 25 — The Tech Buffaloes gave the Mustangs a first half scare before the Nags ran away with the game and a 34-13 score. Pat Tolar scored three Jeff touchdowns and kicked four extra points. Earl Tritt and Connie Orr also crossed pay dirt. George Thacker, Marvin Deberry, Hubert Dixon, and Elliot Bilhartz starred in the line.

November 2 — The Jefferson Mustangs were caught by the Austin Maroons and downed 13-7 in the coldest game of the season. The first half was even-steven with seven points for each club. Pat Tolar scored Jeff's only touchdown. Antonio Alejandro, Douglas Johnson, and Elliot Bilhartz stood out in the Jeff line.

November 9 — With Connie Orr sparking the Mustangs after Pat Tolar received an ankle injury, the Nags took the Miller High Buccaneers for a 31-0 win. Orr scored twice and passed for an extra point. Earl Tritt, Hubert Dixon, and Billy Conn each crossed the double stripe once.

November 22 — The battered Jefferson Mustangs ended the 1951 season with a 7-7 tie with the Brackenridge Eagles. Pat Tolar set up Jeff's only tally, made in the last 49 seconds of play, with passes to Billy Conn and Antonio Alejandro. Harry Jones, a sophomore, booted the extra point. Standouts in the line were Marvin DeBerry, Douglas Johnson, Hubert Dixon, and Tony Alejandro, while Louis Kuhre, Edward Ashley, and Pat Tolar starred in the backfield.

January 7 — Jeff defeated the Laredo Tigers 53 to 44 at Alamo Gym. Carroll Smith and Douglas Bruchmiller led Jeff with fifteen and fourteen points respectively.

January 11 — The Mustangs topped the Tech Buffaloes 55 to 53 in an overtime thriller. Ernest Oosterveen dropped in twenty-one points to lead the Nags.

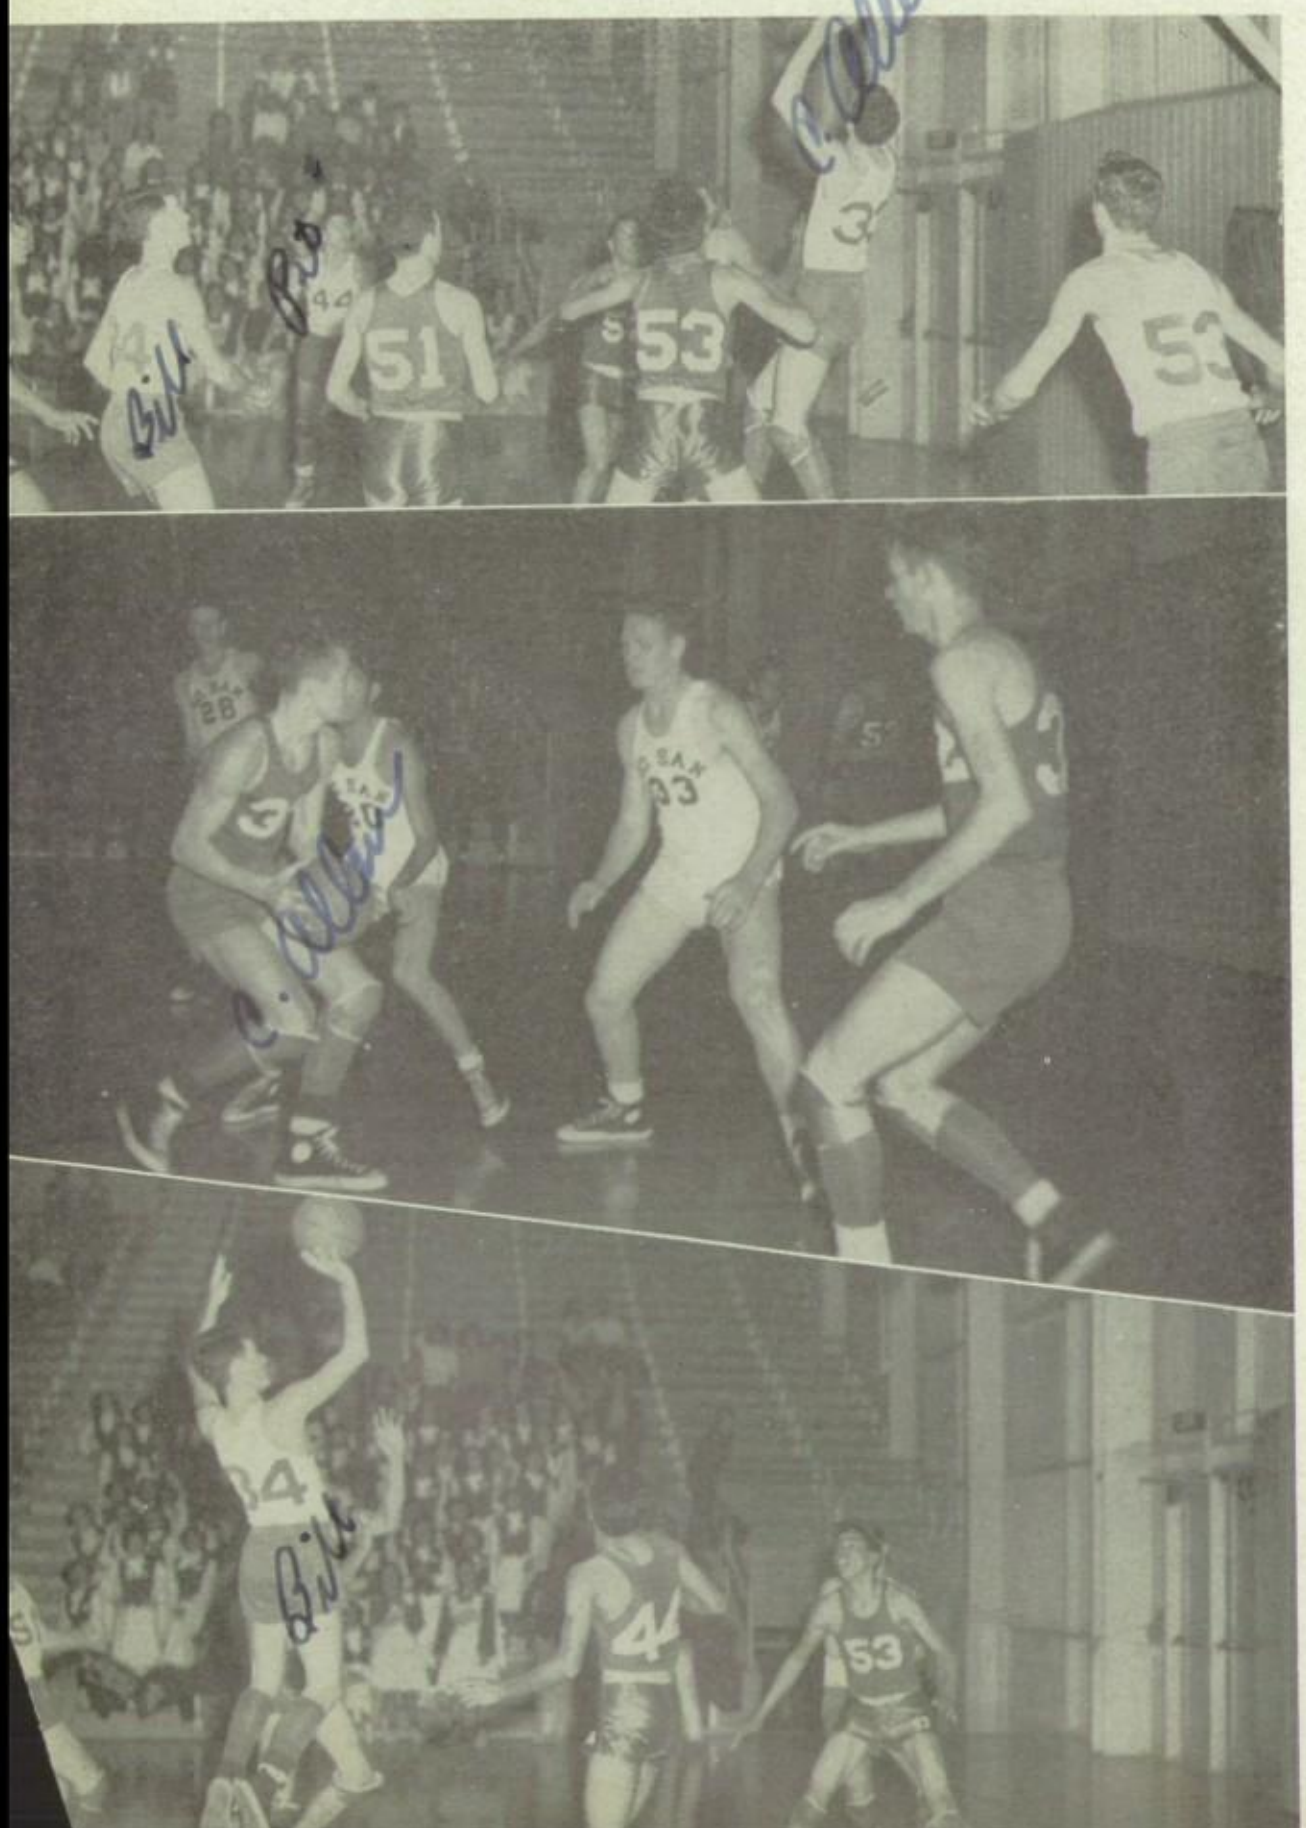
January 18 — The Mustangs made it five straight wins in district competition by defeating the Harlingen Cardinals 49 to 44. With this game Ernest Oosterveen completed his eligibility but said a fine farewell by scoring sixteen points.



January 23 — The Ponies suffered their first district loss at the hands of the Austin Maroons at Austin by a score of 34 to 30. Though they were minus Ernest Oosterveen and Carl Allen, the Mustangs never faded as Carroll Smith tipped in sixteen points.

January 25 — The completely outmanned Mustangs dropped a tough one to Brackenridge 61 to 39. Douglas Bruchmiller made a valiant attempt to keep the Mustangs in the game by hitting ten points.

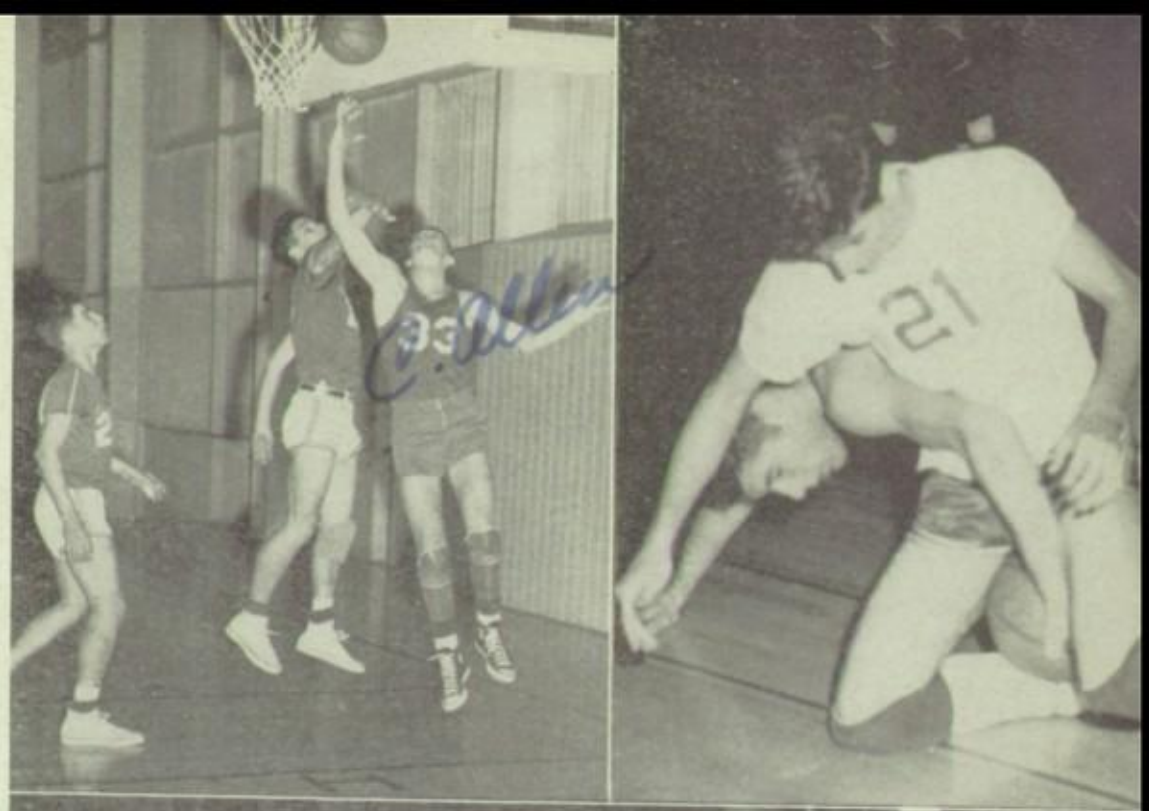
February 1 — The Mustangs traveled to Laredo in an attempt to stay in contention for the district title. The limping Mustangs failed to hold back the Tigers and took a 47 to 37 licking. Carl Allen, Douglas Bruchmiller, and Pat Tolar held the high scoring Laredo team to a close ball game.

February 4 — The Red and Blue dropped a close one to the Tech Buffaloes by a score of 52 to 47. Carl Allen made twenty for the Mustangs while Bill Bryant followed with ten.

February 8 — The Mustangs hit the victory trail again with a 46 to 35 victory over Miller of Corpus. Bruchmiller hit sixteen, Allen made twelve, and Bryant popped in ten to lead the Mustangs.



Top Left: — It took two Miller boys to stop Allen that time. **Top Right:** — Even a leg hold won't keep Ernie Oosterveen from the ball. **Bottom:** — Bill Bryant breaks through Tech defense for two points.

February 12 — Jefferson visited the Harlingen Cardinals and lost a hard one to the Cards by the score of 51 to 46. Without the ailing Carroll Smith the Nags were at a terrific height disadvantage. Despite the handicap Allen hit fifteen and Bruchmiller thirteen.

February 15 — The Mustangs lost to the visiting Austin Maroons 45 to 32. Kent Kimbell took scoring honors with eight points.

February 19 — The Mustangs finished the season in a blaze of glory by defeating the Brackenridge Eagles 44 to 39. The Nags, in seeking revenge, saved a disastrous season. Carl Allen's twenty-one points and Doug Bruchmiller's fine floor game aided the Mustangs in victory. Plagued by injuries the Mustangs made a fine showing in their first year of district 6-AAAA competition.

Health is Fun

Everyone at Jeff has a chance to develop a well-rounded personality. Boys may choose a physical activity to suit their own individual taste, or to suit the season. They can bounce large balls, swing at middle-sized balls with rackets and bats, or knock little balls around on the ground. If they develop "ball-phobia" they can forget balls, jump into the nearest swimming pool and come out a city champion. Jeff's Health Education program tries to fend off bay windows and heart ailments of the future by developing strong bodies today.

Twenty Years Ago Today

Jefferson, a gleaming new school, one of the most ornate ever built in America, opened its doors on Monday, February 1, 1932.

We celebrated our twentieth anniversary by having Open House: visiting, luncheon, and special assembly. Mr. T. Guy Rogers, Jefferson's one and only principal, was Master of Ceremonies. Outstanding members of the first graduating class, first P.T.A., and School Board were on the stage. The assembly was brought to a climax when guests, faculty, and student body rose spontaneously and applauded Mr. Rogers for his outstanding leadership and service.
